Lily's Pad
A Hyper Clean Space for Immune Compromised Kids!

JOIN US FOR A VIRTUAL CHALLENGE OCTOBER 1 – OCTOBER 30

Life under quarantine has not been easy for any of us but for children with weakened immune systems, it is a way of life. Isolation and restricted activities are an everyday challenge for kids battling life threatening diseases. Lily's Pad will provide them respite from their fight. It will be a hyperclean play space specifically for immunocompromised children. We have our space and now we need to raise funds to renovate it. Join our virtual challenge and help us make a difference!

Everyone, from all fitness levels, can participate! If you run, cycle, row, swim or walk – you can play! Even if you are just someone looking to focus on health while making a difference in these kids lives, you can join in too!

PARTICIPATION OPTIONS

- 1 \$20 Minimum Donation to participate
- 2 \$40 or more Donations.
You will receive a special "I helped build Lily's Pad" t-shirt and a Lily's Pad bracelet.

All participants will receive a printable race bib as well as support from the Lily's Pad community and team!
