## RUN TO FIGHT CHILDREN'S CANCER 2022

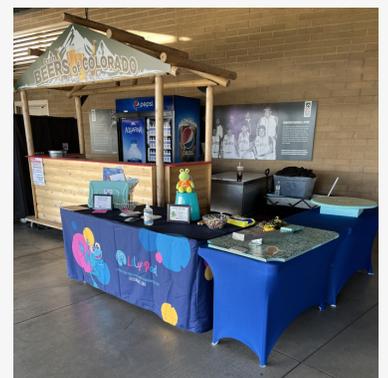

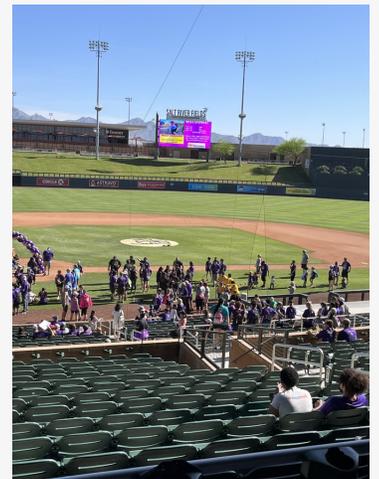

We were thrilled to be a part of the Children's Cancer Network's event on April 9, 2022. Once again, the frog launching game was a big success and we met some great people at our booth!

The day was made extra special when the warriors took the field for the Survivor Walk. What a special memory for all who attended!

Thanks to CCN for hosting such a great run and letting Lily's Pad be a part of it!

## THE HUNT CONTINUES...

We shared with you last month that Lily's Pad was searching for a new location. The space that was donated to us was located in a building that changed ownership and the future of that building is uncertain. We have been asked to relocate and have been on the hunt ever since.

Please continue to keep your eyes and ears open for a possible new home. We figure the more people on the lookout, the better our chances!

Here's what we need...

- 5000 - 6000 square feet (all indoors)
- TALL ceilings (ideally 12 or more feet)
- Dedicated HVAC that we can modify
- 3-5 year lease with option to renew

Any leads you may have, please call 480-290-3517 or email [dawn@lilyspadaz.org](mailto:dawn@lilyspadaz.org).

## LUNCH BUNCH WITH CHANDLER CBA

If you are looking for a great networking group, consider joining the Chandler Business Alliance! This unique and fun group has a fantastic mission of joining local businesses with nonprofits in the community.

We were fortunate enough to share the story of Lily's Pad at their April's Lunch Bunch and this incredible group of people raised over \$250 to go towards items for our party supply drive.

Thank you to all the members of the CBA for having such big hearts! We are so glad to have found this great group of people. For more information on the Chandler Business Alliance, click [HERE](#)!
