TALES FROM THE POND

LILY'S PAD NEWSLETTER

GOLF TOURNAMENT

It was a little chilly on the morning of November 19th, but that didn't stop the golfers from heading out on the course bright and early! Bogeys hosted our 3rd Annual Golf Tournament at Kokopelli Golf Club and as usual, it was completely sold out! The day ended over at Bogeys Bar and Grill where the golfers were treated to lunch and did their best to snag some of the amazing silent auction items and raffle prizes.

The golfers ready to start!

Lily and Elaine at Hole #9

With over \$13,000 raised and plenty of fun to go around, we consider it a great success! Thank you to all who donated prizes, participated in the tournament or purchased raffle tickets and silent auction items. **And a great big thank you to our tournament organizer, Elaine, and her amazing staff.**

Thank you!

Five years ago, just days before the holidays, we discovered what it felt like to have a child diagnosed with cancer. In our darkest hours, special surprises and random kindness brought us light. Now it's our turn to gift it back!

Lily and family will deliver these requested items to Banner Children's at Desert on December 19th, the anniversary of her diagnosis. We are blessed by Lily's good health and want to help share some love and hope with other families on the journey. You can help by donating items or contributing cash to the shopping fund.

WE ASKED AND YOU ANSWERED!

We weren't expecting to do a supply drive in November, but when Banner Children's hospital told us they were out of celebration supplies...we had to help! We partnered with the Armer Foundation for Kids to do a quick, mini drive to restock the supplies they use to help bring joy to children receiving treatment on their special days.

We weren't sure what to expect when we put the call out for help, but this community sure did deliver! *Thank you to all who sent supplies or donated to this campaign!*
