TALES FROM THE POND

LILY'S PAD NEWSLETTER

FAREWELL TO 2022...HELLO TO 2023!

When 2022 first began, we were paused in our construction plans, awaiting the fate of our donated space. By February, we were officially notified that Lily's Pad needed to relocate. It was disappointing to know that all of our efforts to secure permitting and to find donors to help construct our facility on Apache would now need to be repeated.

But our mission was too important to let us give up!

It took some time but we finally gained our momentum back! We found our new space in May, got a building permit in September, the landlord completed renovations in October, we secured a contractor in November and at last the facility went under construction in December!

In spite of our delays, it was a pretty great year! Amazing people continued to fundraise for us, we participated in tons of community events and started several new outreach programs. These pictures say it all!

We couldn't be more ready for 2023, when our doors will finally open and all of **YOU** can say, "I helped build Lily's Pad!" We are long overdue for that celebration!

DOBSON RANCH GOLF COURSE
MORE DETAILS COMING SOON!

LET'S GET LILY'S PAD OPEN!

Come join us on Saturday, 4/1, for a family fun golf event and help us raise the last of our build-out funds!

We are renting out the entire range of Dobson Ranch Golf Course and you can try your hand at the newest golf addiction!

The Toptracer golf experience allows you to play a round of golf at courses all over the world without leaving your bay! Not a golfer? No problem! Practice your game or play some of the golfing challenges geared toward the novice or beginning golfer!

Enjoy live music, silent auction and raffle, corn hole contests and more!

THANK YOU BOGEYS!

We started out December with \$100,000 left to raise to complete build-out and our friends at Bogeys have been on a mission to help us get there! They hosted an old fashioned craft fair and bake sale in December and a Trivia Bingo event in January. In addition, they donated 20% of all sales during the event. Both events raised **over \$3,000 each!** This community is amazing!

DECEMBER GIFT BACK

Thank you to all who supported our 3rd Annual Gift Back event! We were able to supply care packages for families spending their holidays at Banner Children's hospital as well as restock many of their most requested items. We were thrilled to "Gift Back" some of the joy of the season to these families!
