APRIL 6TH PAINTING DAY - VOLUNTEERS NEEDED!

We are looking for volunteers to assist in applying the primer coat of paint to our walls. If you are interested, please head to <https://lilyspadaz.org/volunteer> to sign up.

We will begin painting at 9 am and go until the job is done!

Special thanks to our friends at **Certapro** and **Sherwin Williams** for donated paint supplies and painting crew members!

CONSTRUCTION UPDATE!

As anticipated in this crazy market, we have had a few delays. Products back ordered, labor shortages, etc. But all in all,

we are moving right along! Our drywallers are completing the taping and mudding needed in order to start painting, lights

are going in and HVAC is finishing up. Our GC says it will start to speed up again soon!

We can't wait!
