TALES FROM THE POND

LILY'S PAD NEWSLETTER

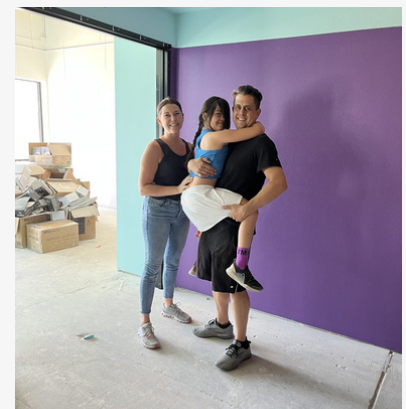

WE HAVE COLOR!

After months of looking a white walls, Lily's Pad has at last come to life in a splash of color! A very special thank you to our friends at **Architekton** for helping us place our color palette on our walls! **Certa Pro** donated a crew of talented painters who made short order of what appeared to be a big project! The team at **Sherwin Williams** mixed us up endless samples before we settled on our colors and then supplied all paint and supplies needed to get the job done! This community is truly incredible to be a part of!

As for the rest of the project, we are moving right along! Ceiling grid has been installed, bathrooms are tiled, doors are hung and our playground piece is being installed this week. If all goes as expected, we are on track to complete this phase of construction the first week of May.

From there, we will begin the final phase before opening. Project "Finishing Touches" will include bringing in toys, games and furniture. Every day we get one step closer to opening our doors!

APRIL 1ST RANGE PARTEE!

Our first "Range ParTEE" was a big success! With your support, we were able to raise over \$17,000 towards our Build-Out Budget and close the gap on the funds we need to complete construction. Special thanks to all who purchased bays, participated in our raffle and silent auction or donated on that day. We are incredibly grateful to our event sponsors: **Southwest Kids Cancer Foundation**, **Four Peaks**, **AZ Bounce Houses**, and **Straight to the Plate Catering**. We couldn't have asked for better weather, a better venue or a better crowd! We had so much fun...we have already booked for next year!

THANK YOU!

The **Tempe South Rotary** made the first significant contribution to our organization back in early 2020 and have continued to support us ever since. We are so grateful to all of the Rotary members who are helping to build Lily's Pad!
