TALES FROM THE POND

LILY'S PAD NEWSLETTER

HEALING WITH THE POWER OF PLAY!

The sounds of hammering and construction have been replaced by laughter and little running feet and we couldn't be happier!

Lily's Pad officially opened for play on August 1st and we welcomed our first group of kids with open arms. The word is slowly spreading that we have a FREE facility available for families who have a child with a complex medical condition where they can experience joy, play and community. We are continuing to network with the local hospitals and clinics to get the word out as well as with other nonprofits.

We hosted a play event for the families of **Hope Kids Arizona** on August 25th and were thrilled to be a resource for that organization and their incredible community.

If you know of a family in need of this healing space, please encourage them to apply for membership. Qualifying families will be able to book play sessions online and play as often as they like. Membership requests can be made with this link: www.lilyspadaz.org/members.

THE BEST WAY TO SPEND \$20/MONTH...

Become a recurring donor with as little as \$20/month and your money will buy:

- 90 minutes of joy and play for an isolated child in a medical battle.
- 90 minutes of freedom from the journey for parents and caregivers
- 90 minutes of family time for siblings

The children of Lily's Pad are fighting cancer, recovering from heart surgeries or living with autoimmune disorders. You can give them the gift of healing play with as little as \$20/month. Your contribution makes it possible for us to be a free resource to this community. To become a "Play Pal", **please check the box to make your donation recurring.** Click [HERE](#) to get started!
