It is time for our FOURTH Annual October Virtual Challenge! This event has supported our build-out for the past three years and we are so grateful for all of our past participants. Your willingness to get moving has made it possible for our members to get playing!

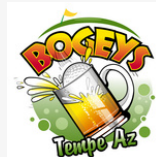

**And NOW, for the first time since this event started, your registration fee is going DIRECTLY towards providing immunocompromised children with play sessions!**

Choose one of our personal fitness goals and get moving in whatever way makes you happy! Run, walk, bike, swim...the choice is yours! Push your limits with a mileage challenge or just commit to moving more.

Sign up with a \$20 donation or get some event "SWAG" with a donation of \$40 or more.

Challenge your co-workers, your friends and your family! Lily's Pad was built to encourage movement and play for children in medical battles. What better way to support them than by doing that for ourselves?!? ✨

# HOPE KIDS AT LILY'S PAD

We have been honored to partner with the amazing nonprofit, HopeKids, this summer. HopeKids offers activities to families who have a child with a life-threatening medical condition.

Families visited Lily's Pad for a private play session to learn more about what we have to offer. We were glad to share our space with this organization and appreciated the opportunity to get the word out that we are now an open and available resource for these families!

**THANK YOU!**

Thank you to the "Love Bears" for choosing Lily's Pad as their legacy project! Love Bears is part of Espacio Vital Global and these awesome teens raised over \$5700 for Lily's Pad!
