# MEET OUR FRIEND OWEN!

What a gift it's been to meet Owen and his family! When Owen arrives, his bright smile and playful spirit just lights up our day!

Owen was diagnosed with neuroblastoma cancer in June of 2024. His parents brought him to Phoenix Children's Hospital after he experienced several days of fever and leg pain. His primary tumor, just above his right kidney, was discovered at that time. Since his diagnosis, he's undergone surgery for tumor removal and 8 rounds of chemotherapy. His family hopes to move towards a stem cell transplant in the future.

Owen loves to play with dinosaurs, trucks and stuffed animals. He loves to play outside, flip through his favorite books and be a gentle and loving brother to baby sister, Katherine. Katherine is a happy, little ray of sunshine who just turned 1 this month. She loves to be involved in whatever big brother is doing and they both love to play at Lily's Pad. Katherine even started driving the Lily's Pad cars just like the big kids!

When asked to describe the impact playing at Lily's Pad has had on their family, Mom says, "Lily's Pad is an amazing space for our family to unwind and play. Finding a clean and safe space for a kiddo with a suppressed immune system can be difficult, but Lily's Pad has been exactly what we were looking for. More than anything, we are grateful to have met such kind-hearted people at Lily's Pad and we are always looking forward to new toys, fun activities and the monthly events."

All of us here at Lily's Pad are so glad to have met Owen and his family and to be able to offer them the safe space they need while Owen goes through his treatment. We are so honored to be a part of their journey and we truly thank the community who continues to support Lily's Pad so we can bring joy and play to kiddos like Owen and Katherine.

## WINTER WONDERLAND AT LILY'S PAD

We turned Lily's Pad into a wintry wonderland with swirling snow and a visit from our favorite snowman, Olaf! We served lunch from Red Robin, enjoyed some hot chocolate and made puppet shows.

Big thanks to the Tempe Diablos Charities for their grant that supports our monthly events and to this month's corporate sponsor, Transact Commercial Interiors.

Every month, we feature a themed event like this one and surprise our families with fun and unique entertainment and gifts. We rely on corporate and private sponsors to provide the additional funding needed to put on these awesome events.

Sponsorships are \$500. To sponsor our April or May event, please click [HERE!](#)
