TALES FROM THE POND

LILY'S PAD NEWSLETTER

THE GREAT PIRATE ADVENTURE AT LILY'S PAD!

Our little mateys donned their finest pirate garb and joined us this month for a treasure hunt, a feast and a heap of pirate shenanigans!

Children's book author, Clint Richardson, dressed as the main character **Captain No Eyes**, led the kids through our Treasure Hunt and read an excerpt from his book. He was joined by illustrator, David Scott Taylor. All kids received signed copies of the book to take home and enjoy with their families.

We are incredibly grateful to **ANartist** and **Tempe Diablos Charities** for their sponsorship of this month's party. To view the video from our party, please click [HERE!](#)
