TALES FROM THE POND

LILY'S PAD NEWSLETTER

LET'S GO ON SAFARI!

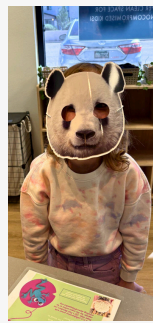

What an adventure we had in March when our kiddos headed out on safari!

With the help of their safari leader, they searched out the animals of the jungle, played safari games and even had a jungle dance party!

Each child had their own tent to "camp" in when they needed to rest from their day out on the Savannah. Our little explorers got to take those tents home, along with binoculars and an animal of their choice.

Lunch was hamburgers and hotdogs from our friends at **Bogeys** and we all enjoyed some cookies and brownies for dessert.

Big thanks to our corporate sponsor, **ANartist** and to the **Tempe Diablo Charities** for their event grant. These community partners are the reason we can offer such fun themed events for families to enjoy each month!

FAMILY BAY SPONSORS NEEDED!

Our Range Partee is just around the corner and we could use your help! Thanks to **Smart Marketing**, several of our families will have the opportunity to attend this event at no cost. We would love to be able to offer this to additional families that have expressed interest.

Immunocompromised children go up and down in their immunity levels. Because this is an all outdoor event, with separated playing areas, families who have children with higher immunity levels, are able to come and take part in the festivities.

If you are interested in sponsoring an additional bay to allow us to open this event up to more families, please click [HERE](#). Family Bay Sponsorship packages are \$400 and will allow additional families to play in a bay, enjoy a catered dinner and be a part of the overall event experience.

LOOK HOW THEY'VE GROWN!

ALLISTER

Lily's Pad has been open and serving families for over 18 months! We have met some incredible kids and have been blessed to be part of their journeys. It's easy to fall in love with each and every one of them and getting to know them, siblings and their parents is such a gift! Recently, we took a trip down memory lane and enjoyed seeing the growth and changes of some of the first members of Lily's Pad. How fun it is to get to share these great photos with all of you!
