LILY'S PAD NEWSLETTER

“A LITTLE HOCUS POCUS” CELEBRATING HALLOWEEN AT LILY'S PAD

It's spooky season and we are all about it here at Lily's Pad! Our October monthly party was, of course, all about Halloween!

While some kids headed straight out to the playground to play, others settled into our craft stations where they painted ceramics and got Halloween tattoos.

We chose to support the efforts of another nonprofit called Little Hero Foundation and supplied our kiddos with gold pumpkins to decorate. For every pumpkin we complete, the foundation will donate a \$1 to childhood cancer research. (Want to be part of the campaign? Visit them at www.littleherofoundation.org)

The day got even better when a witch and a vampire stopped by to get in on the fun! We pulled out rolls of toilet paper and the kids partnered up to create the best mummy! Then our spooky friends led the kids through the facility to trick or treat.

We ended with a great lunch from Red Robin and some creative treats made by the Lily's Pad staff. The kids left loaded down with gifts and Halloween spirit. We owe it all to our sponsors **Tempe Diablos Charities** and **AC Pro**! Thank you for your continued support. Check out the full video of our party [HERE!](#)

SPONSORS NEEDED!

We are in need of **Pizza and Play** and **Story Bunch Sponsors**. Each sponsorship is **\$100** and helps to offset the cost of these events. Sponsors will receive recognition at the event and on our social media. To donate, please click [HERE!](#)

HEADED TO GLADIATOR STATUS!

Meet Mark! He took on our Gladiator Challenge in the Great October Move-A-Thon. The challenge is to complete 150 miles in the month of October. Mark chose to do it on his bike and he decided to make it a personal fundraiser!

All month long, he has been cycling away trying to reach his goal while collecting pledges from friends, family and local organizations. Last time we checked in, not only had Mark reached his goal, but he had far surpassed it!

He is now on a mission to hit 300 miles - **DOUBLE** the original challenge he took on! Rumor has it there have been some donors willing to double their pledge for every mile he rides over 200! Mark is planning to complete his final miles on Halloween day by cycling up to the Lily's Pad door. We can't wait to cheer him on!

If you would like to support Mark's efforts, you can make a donation [HERE!](#) Big thanks to Mark for **MOVING** for Lily's Pad!

Trixie's Prize Pull

Our friends at J's N G's are throwing a charity golf tournament for Lily's Pad on December 6th and they have come up with a fun way for everyone to take part in the fun! Purchase a ticket into Trixie's Prize Pull and get your chance to win one of the following prizes:
