LILY'S PAD NEWSLETTER

THREE YEARS OF PLAY!

On August 1, 2023, Lily's Pad offered our first play session, providing joy, friendship and healing for children isolated by their medical conditions. This August, we are proud to celebrate three years of play and community! What an incredible journey this has been.

We kicked off the month with an Open House and Birthday party for the community and you all did not disappoint! Thank you to everyone who stopped by to say hello and to celebrate this great milestone with us!

It took a lot of elbow grease and cleaning supplies, but we got the facility back up to its hyperclean state just in time to celebrate with our members!

Our member birthday party was a blast! A visit from a pirate and a fairy was definitely the highlight with games of tag, treasure hunting and more! We enjoyed some chicken and pancakes from our friends at [Chompies](#) and a great day of crafts, fun and play.

Big thanks to our sponsors, [Tempe Diablos Charities](#) and [God's Kids](#) for making this event possible! Check out the video of our 3rd Birthday Party by clicking [HERE!](#)

Our third birthday came with a big challenge from an anonymous donor team...if we could raise \$10,000 by the time our party ended, they would match it! Thanks to the generosity of this community, we not only met that challenge - we far exceeded it!

The "Unlock the Money Match" campaign raised just over \$23,000! These were much needed operational funds. Thank you for the support!
